

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

A is for audio Bible,
For listening to God's wonderful Word.
As Mike took off in his small aircraft,
He was glad the Good News would be heard.

The first stop was northern Australia,
The territory of Arnhem Land.
As Mike landed his plane on the airstrip,
A man came to lend him a hand.

'Most Bibles here are in English.
That's not something that's easy to read.
But now we can hear our own language,
Your cargo's a blessing indeed!'

Mike showed him the audio Bible,
All charged up by the sun's warm rays.
No need to worry about batteries or plugs,
Now people could listen for days.

**These audio Bibles are just one of the things
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
