

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

K is for the Kündigs,
A couple from Switzerland.
They've been with MAF for many years,
And love to lend a hand.

Our friends flew to see them in Guinea,
Which is where Emil and Margrit live.
They are travelling around the country
To see what help MAF can give.

The roads in Guinea are not very good,
With some washed away by the rain.

It's certainly easier to travel there
If you're flying in Mike's little plane.

It would be such a joy for the people
If there was an MAF base.
The Kündigs are working to set one up,
Which would be a great help for the place.

Alpha was very excited
To hear all the news of their mission.
He decided he'd stay and help them there;
He'd be a most useful addition.

**The Kündigs are just some of the passengers
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
