

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

M is for medical supplies,
Such as bandages, gloves and pills.
All the things a doctor needs
To cure people of their ills.

The next stop for the friends was in Chad
At a hospital which was pretty remote.
Below the airstrip waving,
Was a doctor in a white coat.

'Hello Mike,' said Dr Mark,
'Getting supplies here can be tough.

I'm hoping that in the back of your plane
You'll have lots of medical stuff.'

In the back of the plane were boxes
Of medicine, crutches and masks.
Just what the doctor ordered
To help with his medical tasks.

'I'm so grateful to MAF,' said Dr Mark,
'Who really help my work here.
You keep flying all the equipment we need;
We had over a tonne last year!'

**Medical supplies are just one of the things
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
