

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

U is for unsafe – a frightening feeling
Which makes people feel sad or upset.
MAF is on standby to help people out
If their family or home's under threat.

Mike's radio buzzed in his cockpit
With another important request.
'Please head straight away to Mozambique,
There's been fighting there and unrest.'

Mike landed his plane in Palma
Where a small crowd waited in fear.
'Please climb on board,' said Foxtrot,
'We'll soon have you safe, far from here.'

There were mothers and fathers and children,
And each took a seat on the plane.
At last they were able to smile and relax;
They knew they'd be safe once again.

**Unsafe people are just some of the passengers
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
