

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

C is for chimpanzee – what a surprise!
As Mike turned his plane to the west,
A call came over his radio set,
'Please respond to this urgent request!

'A poor baby chimp has been injured,
She has fallen out of a tree.
Please will you help us by taking her
To the wildlife sanctuary?'

Mike landed his plane in Liberia,
Where he picked up the injured ape.
Her name was Mary Beauty,
And she'd had a lucky escape.

Some poachers had killed her mother,
Leaving Mary all alone.
Mike was only too happy to take her
To the safety of her new home.

**These audio Bibles are just one of the things
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
