

**'MAF aircraft fly all sorts of things  
To help people out,' Mike said.  
'This Advent, let's build a list of them  
All the way from A to Z.'**

D is for dentist – open wide!  
They help us to keep our teeth healthy.  
Although there are many in the UK,  
Not every place is as wealthy.

The next stop for Mike was Papua,  
And as he began to descend,  
Down there waiting, below on the ground  
Was a dentist called Ika, his friend!

'Please take me to Nalca,' said Ika,  
'I'm teaching the small children there  
About how to clean and look after their teeth  
And to treat all their smiles with care.'

'I use my puppets to teach them,  
They really enjoy the show.  
Fun helps the children remember  
The toothbrushing skills they should know.'

**Dentists are just some of passengers  
That MAF flies through the skies.  
Join us tomorrow for the next letter,  
And another exciting surprise.**
