

**'MAF aircraft fly all sorts of things
To help people out,' Mike said.
'This Advent, let's build a list of them
All the way from A to Z.'**

E is for evangelist –
Which is quite a difficult word
For a person who tells others about God's love,
So the Good News can be heard.

Elisha lives in Tanzania,
Where he shares God's Word with his tribe.
He travels all over the area,
Preaching to those far and wide.

As Mike brought his plane to a standstill,
He saw Elisha with a giraffe.
It was his dear friend Alpha,
Who always made Mike laugh.

The pair were surrounded by people,
Who were eager to hear what they'd say.
They'd been sharing God's love with the Maasai,
And teaching them all how to pray.

'MAF flies me to faraway places.
If I walked, it would take many days,'
Said Elisha, as he entered the aircraft,
'You're such a great help Mike, always.'

'May I join in your alphabet adventure?'
Alpha asked his good friend Mike.
'To see the things MAF's flying,
Is something I'd really like.'

**Evangelists are just some of passengers
That MAF flies through the skies.
Join us tomorrow for the next letter,
And another exciting surprise.**
